Ex. 6 PP / Ex. 7(C)

Just got back in from Jeff City. I started reviewing Friday afternoon and finished up yesterday, with a couple of more edits just now. I've shared a slightly older version of the attached document with Justin yesterday evening – but as we were both on the road today, I assume he hasn't had time to review. Ex. 6 if you're only now looking at this, please use this version instead of yesterday's)

Brief notes here on revisions I've made, by section:

Ex. 5 Attorney Work Product (AWP)

Ex. 6 may have further comments, and, I'm very much open to discussing any change I proposed, or other changes you or he think we should make.

I'm in Wednesday morning.

Thanks,
Chris
